CIA (Confidence In Action)

Each pair of CIA's is fitted with high definition, dye infused, Polyamide lenses. The lenses are a decentered eight base wrap and come in two options, a LT33 Light Bronze that offers 33% light transmission or a LT16 dark bronze that offers 16% light transmission. Both lens options actually appear to brighten and sharpen your vision on the golf course, yet still provide 100% UVA and UVB 400nm protection.
